

Parent's Declaration

- I accept the following terms on behalf of my child through the Excellent Olympiad Examination application form.
- I am enrolling my child in the Excellent Olympiad Examination a private examination of my own free will.
- I firmly believe that through this examination, my child will gain preparation experience for various types of competitive examinations.
- All responsibility for my child's safety regarding this examination or any other exam-related matters rests with me. (Such as purchasing reading material, travel expenses, etc.)
- I am fully aware that the Excellent Olympiad Examination is a supplement to my child's school curriculum and will not put any additional pressure on my child's studies.
- Since this examination is based on the school curriculum, there is no need to purchase additional educational material for it, and it will not add to the family's financial burden -I am aware of this.
- If I have purchased some material for extra preparation, I believe it is necessary for my child's educational progress and I have done so myself. I accept that the examination and the material purchase have no connection whatsoever.
- I know that this examination organised by Excellent Olympiad Foundation is fully private, that no government body is affiliated with it in any way, and that the examination schedule fixed by the management -whether advanced or changed - is binding on me.
- I know that the Excellent Olympiad Examination is organised on a "no profit, no loss" basis.
- I know that Excellent Olympiad Foundation does not guarantee academic ability or quality of any student. Therefore, the organisation declines responsibility for any mental pressure on students. Parents should note this carefully.
- All rights regarding the examination are reserved by Excellent Olympiad Foundation.
- I know that all legal matters related to the examination are within the jurisdiction of the District Court, Pune.
